# **Disruptive Groups**

## Aryan Brotherhood

---

Aryan Brotherhood (AB) members typically display a "666" with a clover leaf. Other variations include a swastika in the middle or the letters "AB". Older members have been known to display Irish words "Sinn Fein" above a single clover leaf. Newer members have been instructed to disguise their tattoos and utilize characters to signify the alpha-numeric characters of "A" and "B" by substituting them with "1" and "2".

Typically members will display gang specific tattoos on their chest, neck, or hands, but are not limited to these areas.

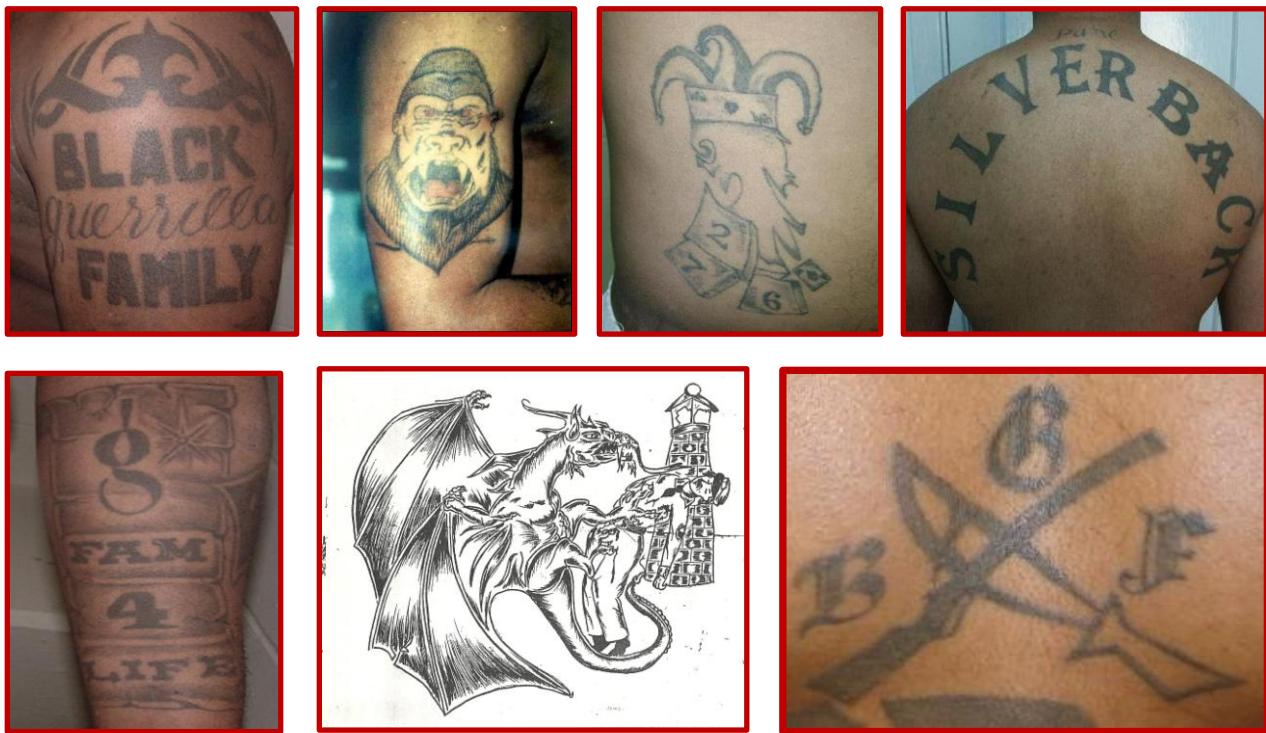

## **Black Guerrilla Family**

---

Traditionally, Black Guerrilla Family (BGF) members will utilize a dragon holding a correctional officer, with a prison tower in the background. They are also known to utilize a machete crossing a rifle with the letters "BGF". Newer members in federal prison will utilize a tattoo of a silverback gorilla, and the words "Silverback" or "G Family". They will also display the alpha-numeric characters for the letters "BGF" with "276".

Members will typically display their tattoos on their chest, but are not limited to this area.

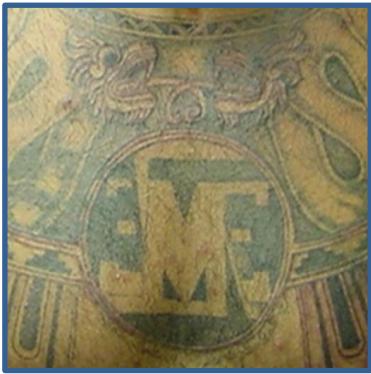

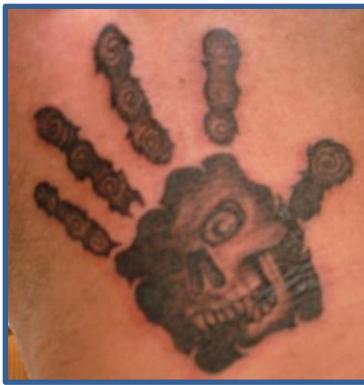

## Mexican Mafia

---

Mexican Mafia (EME) members display a "black hand" tattoo with the letter "M", "EME". They may also have the tattoo "Mexican Mafia" or simply the letters "EME".

Typically, members will display their gang specific tattoos on their chest or neck, but is not limited to these areas.

## Mexikanemi

Mexikanemi (EMI) members will display an Aztec war shield (with feathers), the Mexican flag symbol (eagle with a snake in its mouth), and an Aztec pyramid in the background. Typically the war shield will have two machetes behind it. Older members will display a single machete with an eagle head handle and the letter "M" on the handle of the machete. Members will also display the letters "M", "EME", or the word "Merecido".

Most members will display their gang specific tattoo on the right or left side of their upper torso. Members may also display the letters "M" or "EME" on their arms or neck, but is not limited to these areas.

## Texas Syndicate

---

Texas Syndicate (TS) members utilize the letters "T" and "S". Members may utilize a tattoo of a Texas longhorn (steer) in conjunction with the letters "TS". Older members may display a dagger pointing down, which symbolizes the shape of a "T", in conjunction with a dragon shaped like "S". TS members utilize the alpha-numeric characters "19" and "20" which signifies "ST" which means Syndicato Tejano.

Typically members will display their gang specific tattoos on their forearm, chest, neck, or back, but are not limited to these areas.

# **Security Threat Groups**

## Aryan Brotherhood (State)

---

The assignment "AB STATE" refers to all other Aryan Brotherhood (AB) members not from California and Texas. The significance of each AB faction varies from state to state. Most members will display a key indicator signifying which faction of the AB the inmate is from. All AB tattoos are different from states to state.

Aryan Brotherhood of Alabama specifically has a shield with two crossed battle hatchets and the letters "AB" in the middle. Different variations of the tattoo are possible and should be verified by the SIU. The tattoo must display the letters "AB" to be valid.

Aryan Brotherhood of Arizona specifically has an eagle with a swastika underneath and the letters "AB". Different variations of the tattoo are possible and should be verified by the SIU. The tattoo must display the letters "AB".

Aryan Brotherhood of Mississippi specifically renders an "A" and "B" as shown in the photograph. Members will also utilize the alpha-numeric character "13" for the letter "M" and "9" for the letter "I".

Aryan Brotherhood of Oklahoma is also called the Universal Aryan Brotherhood. The tattoo specifically renders the words "Universal Aryan Brotherhood" enclosed around two lightning bolts to form an "O" for Oklahoma.

Aryan Brotherhood of New Mexico specifically renders an "A" and "B" in conjunction with the letters "N" and "M" as shown in the photograph.

## Aryan Brotherhood of Texas

---

The Aryan Brotherhood of Texas (ABT) specifically displays a shield with a swastika in the middle and a sword. The tattoo will also display the word "AB Texas". Members may also display the roman numerals "I" and "II" to signify "A" and "B" in conjunction with the word "Texas". Different variations have been observed, however, share the same characteristics.

Typically members will display their gang specific tattoo on the left or right side of their upper torso, but is not limited to these areas.

## Aryan Circle

---

Aryan Circle (AC) members typically will display a diamond shape with a swastika in the middle. They will also display the words "Aryan Circle" or the letters "AC". Other variations include utilizing the alpha-numeric characters "1" and "3" to signify "A" and "C". Recent intelligence indicates newer members will have the letters "AC" with a circle around it.

Members will display their gang specific tattoo on the side of their upper torso, but is not limited to this area.

## Aryan Nation

---

Aryan Nation members will display a tattoo of the letter "N" and a sword in the background. Other variations of the tattoo have been observed, however, share the same characteristics.

Members will display their gang specific tattoo on their left chest, but is not limited to this area.

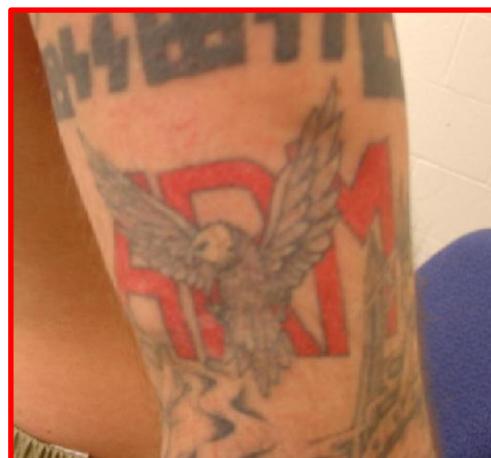

## Aryan Resistance Militia

---

Aryan Resistance Militia (ARM) members will display an eagle with the letters "ARM". Members may also display the Runic letters for "ARM" as show in the first photograph.

Typically, ARM members will display their gang specific tattoo over their left chest, but is not limited to this area.

## Asian Gangs

---

There are several different Asian gangs which are recognized by the BOP. The following are the most common identified in the BOP.

Viet Boys may display the words or the initials "VBZ".

The Green Dragons from the northeastern United States will display a Chinese style dragon colored in green.

Pinoy Real members will display the words "Pinoy Real" or "PRG" for Pinoy Real Gang.

Asian Boyz members will display the words "Asian Boyz" or the initials "ABZ".

## **Bandidos Motorcycle Gang**

---

Bandido members have a specific tattoo they utilize and display a character wearing a sombrero holding a machete and a pistol. Members may also utilize the word "Bandidos".

Typically, members will display their gang specific tattoos on their chest, back or arm, but is not limited to these areas.

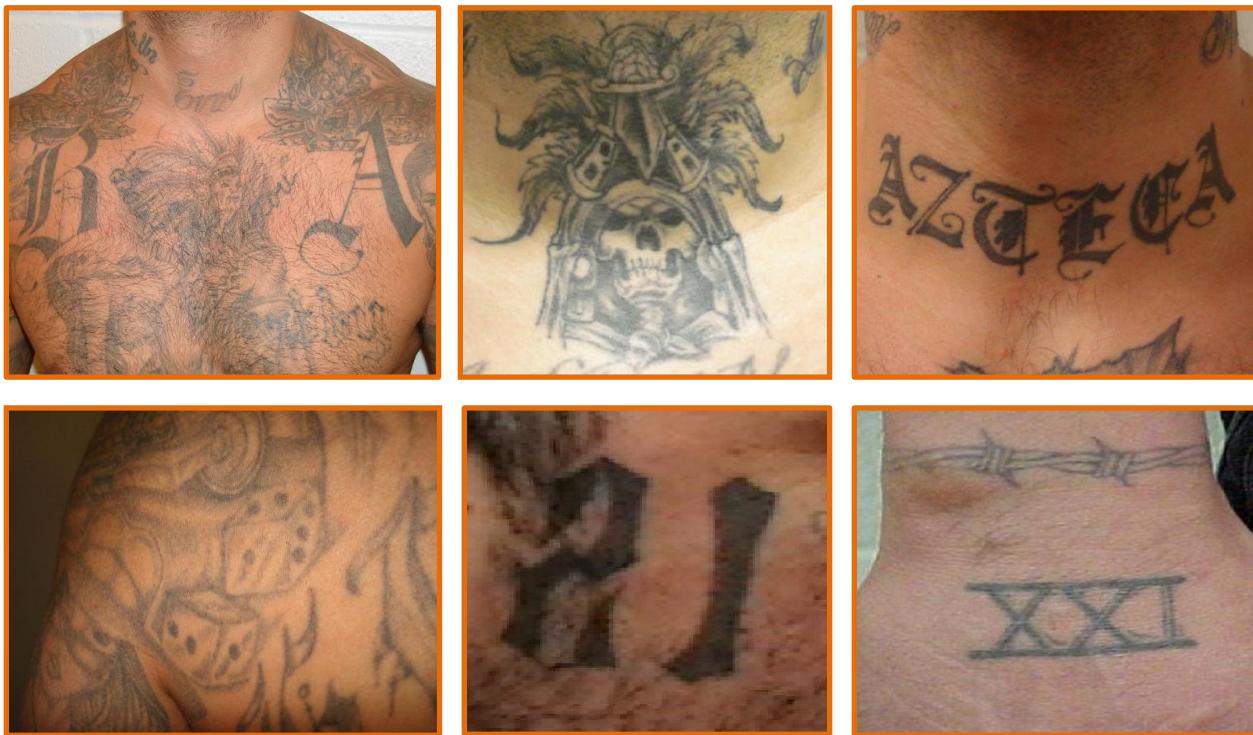

Bandidos Forever, Forever Bandidos

## **Barrio Azteca**

---

Barrio Azteca (BA) members are from the El Paso, Texas area and utilize the words "Barrio Azteca" or "Azteca". Members may also display the letters "BA" or the alpha-numeric characters "2" and "1" for "BA". BA members also utilize the area code "915" or various tattoos with two and one feather signifying "21" or "BA".

Typically, members will display a "B" on their right shoulder and an "A" on their left shoulder. Members also attempt to disguise their gang related tattoos by placing them in a collage of other non-gang related tattoos.

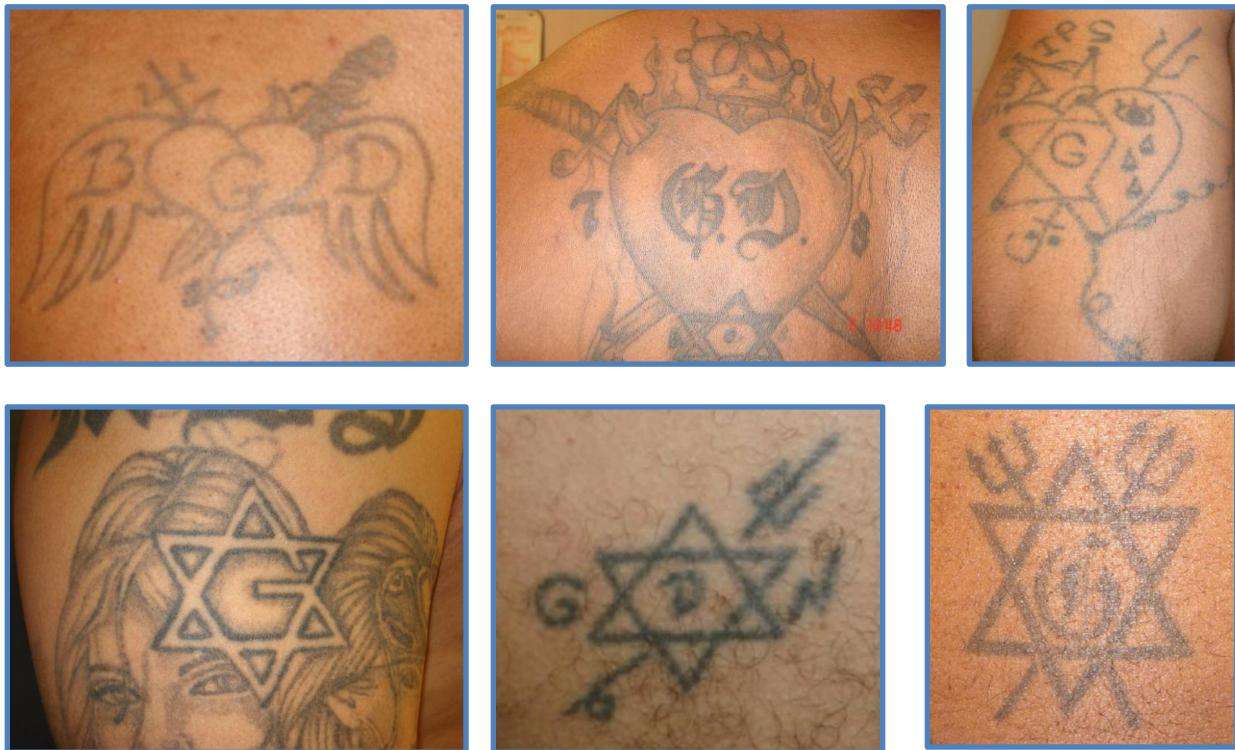

## **Black Gangster Disciples**

---

Black Gangster Disciple (BGD) tattoos may vary and several different variations have been observed. Older members will display a winged heart with horns. Typically this tattoo will have the letters "BGD" or just a "G". Other members may display the "Star of David" with the letters "BGD" or just a "G". Most BGD tattoos will have a pitch fork facing up in conjunction with their BGD specific tattoo to signify their alliance under the Folks Nation.

Typically, members will display their gang specific on their chest or arms, but is not limited to these areas.

## **Black P-Stones**

---

Black P-Stone members will display a tattoo of a pyramid with a sun in the background. Members may utilize a crescent moon and a star above a pyramid. Members also utilize the word "P-Stones" or the letters "BPS".

Members are known to display their gang specific tattoos on the right or left upper chest, however, not limited to these areas.

## **Black Panther Party**

---

Black Panther Party members utilize a tattoo of a black panther with an outline of Africa in the background. Older members will also display a tattoo of a fist with a black glove.

Typically, members will display their gang specific tattoo on their bicep, but is not limited to this area.

## Bloods

---

There are several different factions of the Bloods, but the universal tattoo between factions is a hand sign shaped like a lower case "b". Members will also utilize the words "Bloods", "Damu", or "Piru". United Blood Nation (East Coast) members will utilize the letters "UBN". Blood subset tattoos may differ, however, may share the same characteristics.

Members will have gang specific tattoos throughout their body.

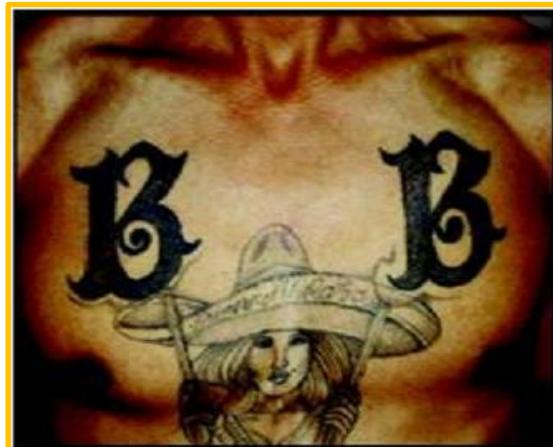

## **Border Brothers**

---

Border Brother members will display the words "Border Brothers", or the letters "BB". Members will also utilize the alpha-numeric characters "2" and "2" to signify the letters "BB".

Members have been observed displaying the letter "B" on the left and right shoulders or the number "2" on both shoulders. Different variations of the gang specific tattoos have been observed and are not limited to the above body areas.

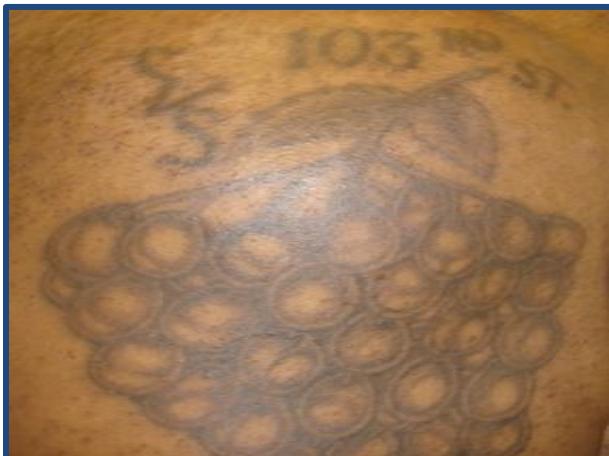

## Crips

---

There are several different factions of the Crips, but the universal tattoo between factions is a hand sign shaped like the letter "C". Members will also utilize the word "Crip". Particular subset tattoos may differ, however, share the same characteristics.

Members may have gang specific tattoos throughout their body.

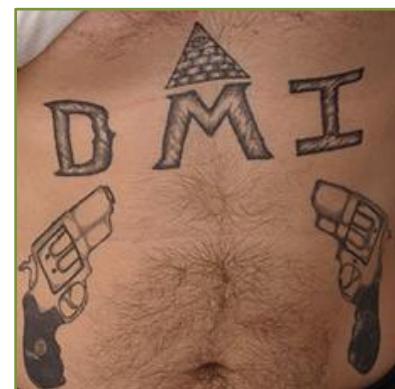

East Side 103<sup>rd</sup> St, Grape Street Crips

## Dead Man Incorporated

---

Dead Man Incorporated (DMI) members will display the words "Dead Man", or a pyramid with an eye on top. Members will also utilize the alpha-numeric characters "4", "13" and "9" to signify the letters "DMI". They may also utilize the symbolic words "DAWG" or "FOMF" for "Flesh of my Flesh". Tattoos may differ, however, share the same characteristics.

Members may have gang specific tattoos throughout their body.

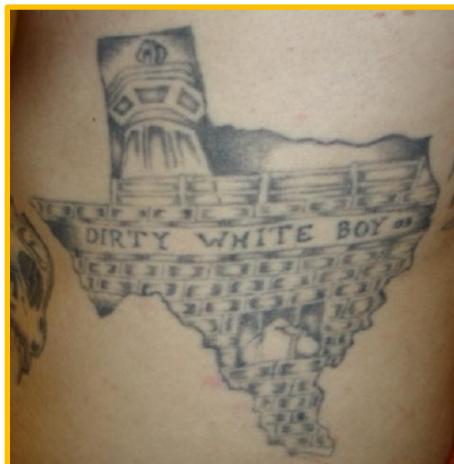

## **Dirty White Boys**

---

Dirty White Boy (DWB) members display a tattoo which consist an outline of the state of Texas with a prison tower and a brick wall. The brick wall usually displays the words "Dirty White Boys" or the letters "DWB". The gang has expanded to other states and other variations of the tattoo include the state outline to that particular faction.

Typically, members will display their gang specific tattoo on their upper chest, but is not limited to this area.

## **18<sup>th</sup> Street**

---

18<sup>th</sup> Street is a subset of the Sureños. Members typically display the number "18" in different variations to include roman numerals or the word "eighteenth".

Members will display their gang specific tattoos on various parts of their body.

Spanish Gangster Disciples

## Fresno Bulldogs

---

Fresno Bulldog members utilize a tattoo of a bulldog with the word "Fresno" or the letter "F". Older members may display an "F-14" tattoo which symbolizes "F" for "Fresno" and the "14" for their old allegiance to the Norteños and Nuestra Familia (this alliance is no longer honored).

Members will display their gang specific tattoo on various parts of their body.

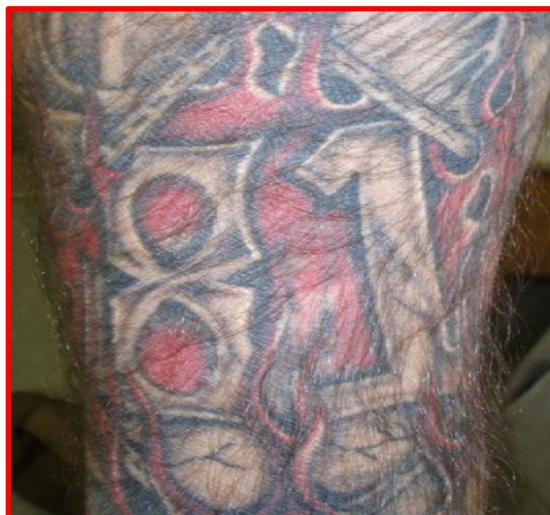

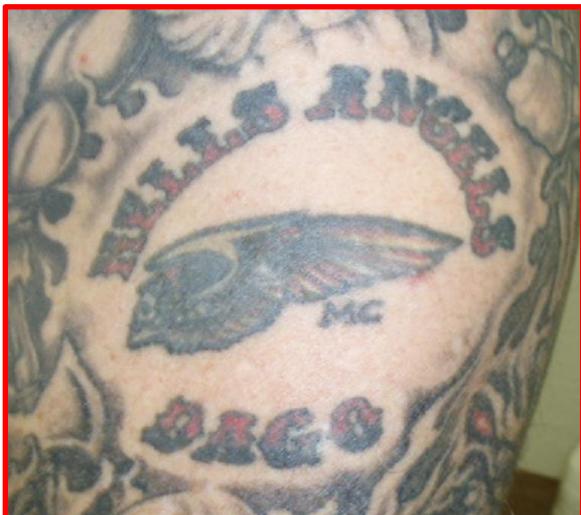

## **Hells Angels Motorcycle Gang**

---

Hells Angel members utilize a very specific tattoo of a skull with wings. Members display the words "Hells Angels" above the winged skull and the name of the chapter underneath. Members may also utilize the alpha-numeric characters "8" and "1" for the Hells Angel initials "HA".

Members will display their gang specific tattoos on various parts of their body.

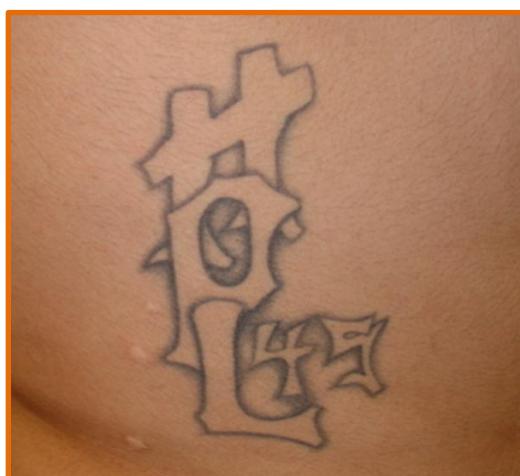

## **Hermanos de Pistolerros Latinos**

---

Hermanos de Pistolerros Latinos (HPL) members will utilize a tattoo of a Colt 45 semi-automatic pistol. Older members may utilize a tattoo of an old 45 six-shooter pistol or an eagle head shaped like a "P" with the letters "H" and L". Members may also utilize the number "45" to specifically symbolize a 45 pistol.

Members may display the Colt 45 tattoo along their waist line, but is not limited to this area.

## Ku Klux Klan

---

Ku Klux Klan (KKK) members may utilize a tattoo of a figure wearing a white hooded cloak. Members will also display the KKK logo which is a red, white, and black cross unclosed in a circle. Typically the cross will have a small flame in the middle. Members may also utilize the letters "KKK" or the word "Klan".

KKK members will display the KKK logo on their upper left chest, but is not limited to this area.

## **Latin Kings**

---

Traditionally, Latin King members display a tattoo of a three or five-point crown with the words "Latin King" or "Almighty Latin King Nation". Members may also utilize the letters "LK" for Latin King or "ALKN" for Almighty Latin King Nation. Newer members may display a tattoo of a lion wearing a five-point crown.

Members will display their gang specific tattoos on various parts of their body.

## **Los Zetas**

---

Los Zetas members will display a specific logo utilized by the group. There are two variations of the logo. The first logo will be in the shape of a shield with the letter "Z" for "Zetas" and an outline of the country of Mexico in the middle of the shield. The Second logo will be in the shape of a shield with a wreath around the bottom of the shield. A diagonal strip will be in the middle of the shield with a pistol and a hand holding puppet strings, as shown in the photograph. Members may also tattoo their personal rank within the organization under the Los Zetas logo which is Los Juniors, Los Falcons, Los Manosos, La Direccion, Los Expertos, or Los Jefes.

Older members may utilize a tattoo of the letter "Z" in conjunction with key indicators of association with the Gulf Cartel. Los Zetas were originally associated with the Gulf Cartel.

Members will display their gang specific tattoos on various parts of their body.

## **Mexican Mafia (State)**

---

The assignment "MM STATE" refers to all other Mexican Mafia (MM) members not from California and Texas. The significance of each Mexican Mafia faction varies from state to state. Each faction will display different a tattoo specific to their faction. All MM State tattoos may be different from states to state, however, may share the same characteristics.

Old Arizona Mexican Mafia specifically has the letters "M" and "M" with a skull bearing wings of a bat. Members will typically display this gang specific tattoo on their arms or chest, but is not limited to these areas.

New Arizona Mexican Mafia specifically has the letters "M" and "M" enclosed in a sun. Members will typically display this gang specific tattoo on their arms or chest, but is not limited to these areas.

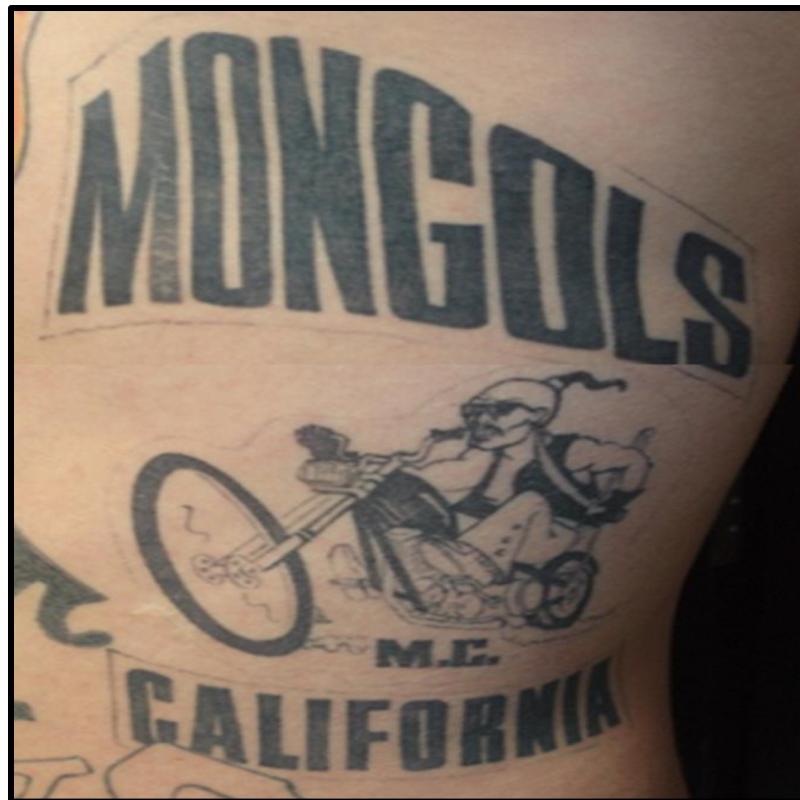

The Oklahoma Mexican Mafia specifically has a black hand but has segmented fingers. The tattoo will have the letter "M" in the middle of the "black hand" enclosed in a circle. The circle is meant to represent the "O" in the word Oklahoma. Members will typically display this gang specific tattoo on their chest, but is not limited to this area.

## **Mongols Motorcycle Gang**

---

Mongol members utilize a very specific tattoo of a Mongolian warrior riding a motorcycle. Members display the words "Mongols" above the Mongolian warrior and the name of the chapter underneath the motorcycle.

Members will display their gang specific tattoos on various parts of their body.

## Mara Salvatrucha

---

Mara Salvatrucha (MS13) members have several different tattoos which they utilize. The most common tattoo is the letters "M" and "S" or a combination of "MS13". Members may also have the word "Salvatrucha". Other variations include the gang hand sign for MS13 which is the index and fifth finger fully extended, while the thumb is touching the middle and ring fingers as show in the photograph.

Typically, when a member only utilized the initials for the gang specific tattoo, they will display the "M" on the right shoulder and an "S" on the left shoulder. Members are also known to display the word "Salvatrucha" on their stomach or on the small of their back. MS13 members will have various gang specific tattoos in several different locations throughout their body, especially on their face.

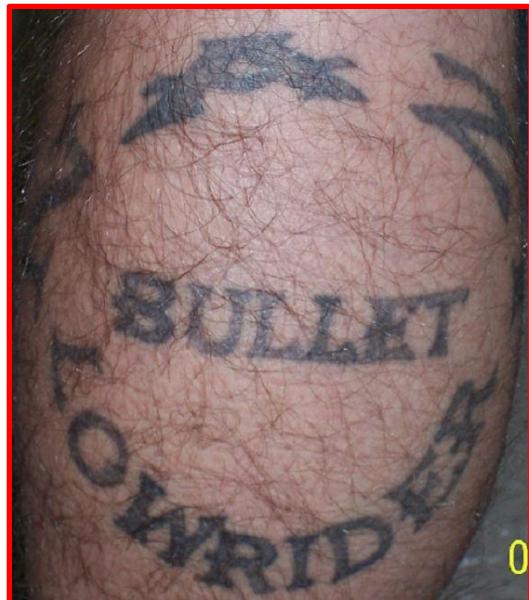

## Nazi Low Riders

---

Nazi Low Rider (NLR) members utilize the letters "NLR" for the vast majority of their tattoos. They are also known to utilize "Nazi Low" as their gang specific tattoo. Members will also utilize "NLR" or "Nazi Low" in conjunction with an eagle or an eagle skeleton.

Members will display their gang specific tattoos on various part of their body.

Bishops

Cullerton Deuces

Gaylords

Insane Deuce

Latin Counts

Mickey Cobras

Spanish Counts

Pitch Fork Down

## **Partido Revolucionario Mexicano**

---

Partido Revolucionario Mexicano (PRM) members utilize several different variations of their gang specific tattoos. Members may have the Mexican flag emblem with the specific words "Partido Revolucionario Mexicano", or "Estamos Unidos Mexicano" above the emblem. Other members may have the word "Borracho" or "Teporocho" written within their tattoos, which PRM gang members consider as gang specific. Members will also utilize the letters "PRM" in different styles and variations. For example, they may utilize the alpha-numeric characters for "18" and "20" which stands for "RM" or Revolucionario Mexicano. They may also utilize "P31", which symbolizes "P" for Partido, and the "31" is a combination of "18" and "20" added together to make 31. PRM members are also known to display tattoos of "Mescal" which is a Mexikan wine bottle. They are known to add the letters in the word "Mescal" and display a number "6" tattoo.

Members will display their gang specific tattoos on various parts of their body.

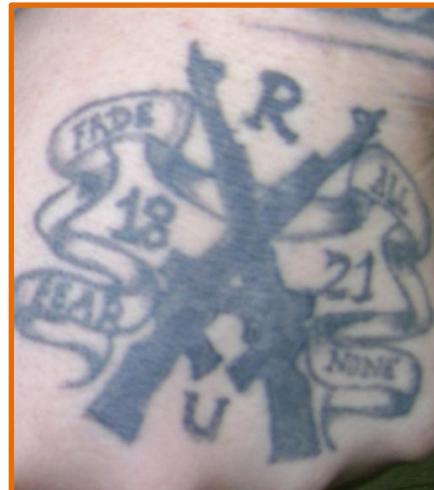

## Raza Unida

---

Raza Unida (RU) members will utilize the actual words "Raza Unida" or the initials "RU". Members may also utilize the alpha-numeric characters "18" for "R" and "21" for "U", as their gang specific tattoo.

Typically, members will display the words Raza Unida on their stomach or on the small of their back. Members utilizing the initials "RU" will display the tattoo on their forearms and chest, but is not limited to the areas. RU members should not be mistaken for the Raza street gang from Chicago.

## **Skinheads**

---

Skinhead members utilized the words "Skinhead" or "Skin" in conjunction with the numbers "14" and "88". Representation for "14" indicates the white supremacy ideology known as the 14 words. The alpha-numeric character for "88" represents "HH" or Heil Hitler. The 14/88 tattoo must be utilized in conjunction with the words "Skinhead" or "Skin". Factions of the Skinheads have formed throughout the United States and have displayed different variations, however, they share similar characteristics.

Members will display their gang specific tattoos on various parts of their body.

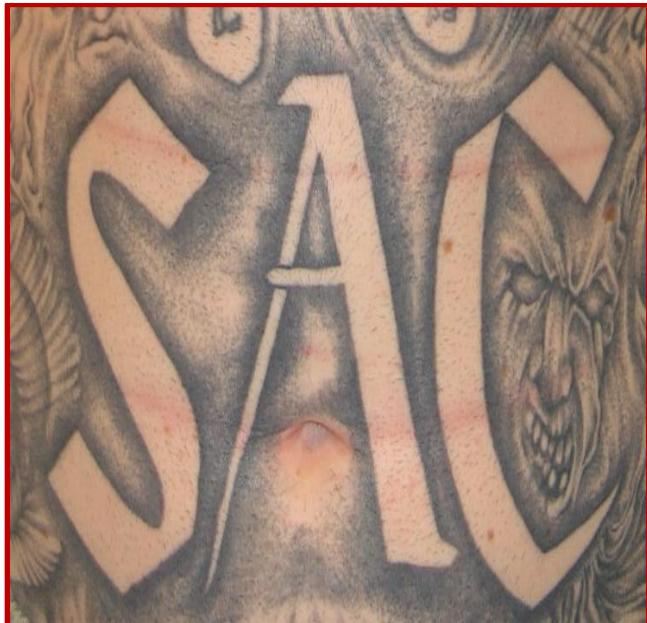

## **Soldiers of Aryan Culture**

---

Soldiers of Aryan Culture (SAC) members specifically utilize the letters "SAC" as their gang specific tattoo. They may also utilize a superimposed Iron Cross and Swastika as their gang specific tattoo. Members with leadership status will color in the letters "SAC" or their Swastika tattoo in red.

Typically, SAC members will display their gang specific tattoo on their neck or stomach, but is not limited to these areas.

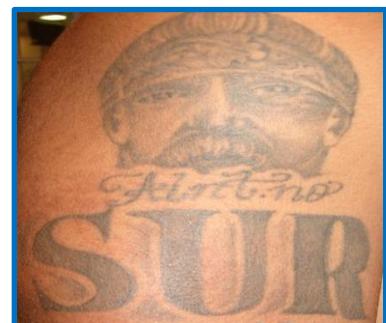

## Sureños

---

Sureño gang members typically display the letters "SUR" as their universal gang specific tattoo. Members may also utilize the number "13" (thirteenth letter in the alphabet is "M" representing their alliance to the California Mexican Mafia) in different fashions, to include roman numerals or Aztec symbols. All the above mentioned tattoos may be utilized in conjunction with a specific subset tattoo.

There are several subset tattoos which are utilized by members and vary from set to set.

Members will display their gang specific tattoos on various parts of their body.

## Tangos

---

Tango gang members utilize emblems or significant logos which represents the city in Texas where they reside. Members may also utilize the city area code in conjunction with their tattoos. There are several variations of Tango tattoos.

Members from Austin, Texas may display the abbreviation for Austin, Texas as "ATX". Members may also utilize the letters "A" and "T" in a shape of a star. Other gang specific tattoos include "A-Town" which represents Austin or a tattoo of the capital.
